

Your Retirement Plan

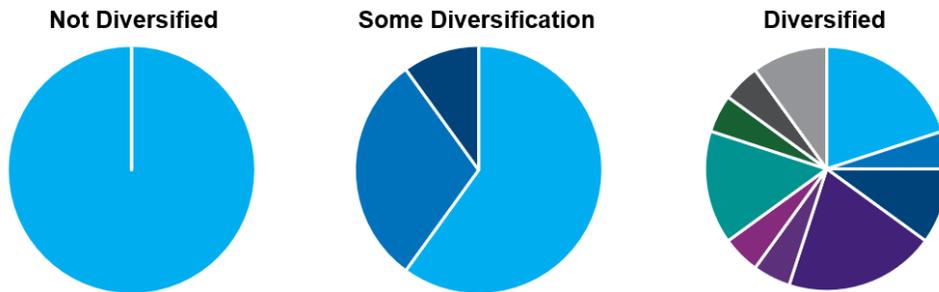

Confused about investing?

Simplify your life, let the experts do it for you.

Your employer plan has a Managed Account Service to help you with your investing goals.

Managed Accounts service is a professional investment advisor that oversees your investments in the retirement plan, all according to your objectives and your personal circumstances.

Whether you are unsure about investing or do not have the time, consider diversifying your account with Managed Account Service. The benefits are recognizing a needed strategy, personalized asset allocation and the continual management of your account.

Keep it simple!

Change your investment strategy online at newportgroup.com.

From the *Shortcuts* tab, select *Explore My Options*.

If this is your first time accessing your account, your User ID will be your SSN and your Password will be the MMDDYYYY of your date of birth.

Newport Group, Inc. and its affiliates provide recordkeeping, plan administration, trust and custody, consulting, fiduciary consulting, insurance and brokerage services.
