

Enrolling in Your Retirement Plan is Easy

First, contact your Human Resources department. They'll have the materials you need to join your company-sponsored retirement plan.

Once you join, you can access your new retirement account at any time on newportgroup.com.

The first time you log in, you'll be asked to take a few actions to help keep your account safe and secure.

You may also need to make a few decisions, such as how much of your paycheck to contribute to your retirement account, the investments to select, and your beneficiaries.

Looking for guidance on your overall financial wellness? Explore the resources in your Financial Wellness Center, including videos and retirement planning calculators.

If you need help, our Participant Service Center is available Monday through Friday, 8 a.m. to 8 p.m. ET at 844-749-9981.
