### Kelly Jennings Earns National Industry Honor

#### About Kelly Jennings

Newport Group's Relationship Manager Kelly Jennings of our Fresno office is being recognized as a "Service Star" by *Plansponsor* magazine. This is the third year in a row in which a Newport Group employee has received this award, which recognizes individuals and teams for outstanding client service, based on nominations by retirement plan sponsors.

Kelly was chosen from among a group of 500 nominees from across the country, and was one of only six recipients of the 2019 *Plansponsor* Service Star award. Our client nominated Kelly for her dedication and commitment to supporting their plan. Kelly has been with Newport Group for eight years and excels in giving personalized customer service. You can learn more about Kelly when she is featured with the other Service Star winners in *Plansponsor's* April/May edition.
