

Newport Group Awarded 46 Best in Class Honors by *Plansponsor* Magazine

Newport Group has once again participated in *Plansponsor* magazine's annual Defined Contribution Survey, and we are pleased to announce that we have achieved another impressive showing.

The reviews from our plan sponsor clients helped place us among the Top 10 providers in the retirement services industry, with **46 "Best in Class" awards**. This survey is one of our industry's leading measures of companies' satisfaction with their plan providers. Our awards include "Best in Class" honors in nearly every service category measured by the magazine—including sponsor service/support, plan administration, education and communications, and technology.

Recognition from *Plansponsor* and our clients is especially gratifying during a time of tremendous growth for our company. These results are a tribute to our people and a validation of our focus on our mission and core values. We thank our clients for this important vote of confidence.
